#### **New Business**

##### **1. Tar and Chip Lot on Mill Street**

As part of moving the millings from behind the borough building to the Mill Street parking lot DEP also wanted to have it sealed. Zach was looking into pricing to have it Tar and Chipped. The committee thought it would be a good idea to just put a base coat on and to get a quote for that. Zach will do some research into pricing and bring that back to the next meeting.

##### **2. Parking in the Square**

The Committee discussed different ideas on how to making parking in the square more friendly for those who use it. Dave brought up the idea of taking the 11 spots along the railing and making them for the residents who would need to obtain a parking permit from the borough for a cost. And then allow the other spaces to be for the businesses. Steve asked Zach to talk to the consultants that were hired by Perry County Economic Development to come up with an idea for the square and to report back at the next meeting.

##### **3. Road Clouser Request Kings Highway**

Mariah Hernandez attended the committee meeting to request a portion of Kings Highway be closed on August 28<sup>th</sup> for her wedding. The committee was okay with it but wanted to make sure her neighbors were notified as well as making sure it was okay with the fire department and police department. She will attend the council meeting to make the request to council and to make sure she has all the sign offs she needs.

4. **Request to an adjustment of the development agreements for Rockville**

There was a request to make a change to the way the trees were laid out in Rockville the committee was not sure if there were legally allowed to do anything so they wanted Zach to check with Dan on what could be done.
