

## *Marysville Borough*

### **Streets Committee Minutes August 2 2021 1:30PM**

**The Streets Committee Meeting was called to order at 1:30 pm on Monday August 2 2021 at the Marysville Borough Office. Present were Council members Steve Copp Lance Barthel and Dave Magee Also, present was, Borough Engineer Greg Rogalski, Maintenance Worker Ken Miller and Borough Manager Zachary Border**

#### **Trucks/Equipment:**

Ken would like to change this item from re-chassis to purchasing a new truck that will make all of the trucks up to date and then the borough can start to re-chassis the trucks moving forward.

#### **New Business**

##### **1. Davey's BBQ request**

There was a request from Davey's BBQ to put up a tent on borough property the committee felt this should not be allowed because it would then open it up for anyone who wanted to put a tent on borough property the right to do that.

##### **2. New Tires**

Staff wanted to replace the tires on the 2019 since they are factory tires and did not have good tread the cost would be around 1900 dollars. Ken did say they would pass inspection but all other trucks have had the tires changed from the factory ties to goodyears. This was recommended to the finance committee

##### **3. Liquid Brine Attachment**

Staff would like to be able to pretreat the roads with a liquid brine which is a mixture of salt and water the brine itself can be purchased from Lower Allen township for around 21 cents a gallon the tank to store it in would be 500 and the spreader would be around 5000. The belief is this would save money on staff and salt cost. This was recommended to the finance committee.

## **Old Business**

### **1. South Main Street Bridge Project**

The Statements of interest were due today the next step is for the committee to review the submissions and rank the top 3 and then council would select the engineer to move forward.

### **2. Pole Building**

No discussion

### **3. Skid Loader**

Zach let the committee know that the safety committee met last week and this was one of the items that came from it and how they do not feel safe with the condition skid loader is in the committee asked if they could use the backhoe Ken said yes but they would not be able to get into all the places they need to get into.

### **4. Sealing Mill Street Parking lot**

Zach is still trying to find someone to get the parking lot sealed Greg reached out to some of his contact and they suggested bituminous prime coat from DB Criag. Zach will reach out to them for a price.

### **5. Parking in the square**

Dave had suggested split parking for residents and business owners there was no discussion on this and was tabled until the next meeting.

### **6. Handicap Parking Request**

This request was denied by the committee.

## **Other Business**

None
